Top 4 Needs/Gaps in Resources Identified by Coalition Members:

Madison County Community Health Needs Assessment (CHIP) identified priority areas:

1. **Chronic Disease**
2. **Maternal & Child Health**
3. **Social & Mental Health**
4. **More attention needs to be concentrated on the western part of Madison County, which is the Greenville area. Some citizen input is needed to plan services for that area.**

Children's Partnership Council

2017-2018 allocation for Madison & Taylor Counties is \$5000.00, Donna Hagan motioned for \$1500.00 of the \$2500.00 to go for individual assistance for Madison County Families, seconded by Tangela Knight, motion carried.
