-
1. **Disc Village has a substance abuse program using Vivitrol to treat alcohol and opioid dependency. Vivitrol is a non- addicting injection used monthly along with counseling.**
 2. **Healthy Families will be having their Winter Clothing Giveaway on December 15th; donations are greatly appreciated and can be dropped off at the Coalition in Greenville. Arrangements can also be made for pick up if needed. Agencies are welcome to participate.**
 3. **Capital City Music Therapy provides music therapy using research based, clinical interventions to improve the lives of people with special needs, age related diagnoses, medical illness or injury, and mental health disorders. There is no age limit and referrals are accepted. For more information contact 850-391-8644 or capitalcitymusictherapy.com.**
